08.2007 – 07.2008 | **Siemens IT/HUENEI**, Argentina. Technology.

- **Junior/Semi-Senior PHP, Oracle Developer, Javascript, AJAX, XHTML, XML, PL/sql** (Admitel Platform).
 - Some Perl Script development.
 - PHP Development; Knowledge of Javascript, Ajax, XML, DHTML, HMTL y XHTML.
 - DDL modification and triggers.
- **Sysadmin Windows NT/Linux Semi/Senior - Senior:**
 - 2nd level support MOA/STS.
 - Tuned the configuration procedure of the master image.
 - Detected and proposed a solution for an STS application.
 - Network Admin and support for NT/W2000/XP MOSAIC y STS.
 - Handle Scripts (NT scripting, Perl, sh y bash de UX-LX, some korn and csh).
 - Oracle SQL (8i) and Paradox maintenance.

07.2007 - 12.2007 | **Source South**, Argentina. **Junior**, Development and Sys Admin

01.2000 - 08.2007 | **Independent**, Argentina. **Semi-Senior**, Net administrator Linux/Windows.

Training, Lectures and Conferences

Training:

Mega Trainee ABAP/4. ABAP / ADECCO IT for IBM. Platform SAP R/3.

Mega Trainee JAVA. JAVA, UML and Pattern Design (ADECCO IT - IBM).

Networks with Linux. INDET.

Mosaic. Language . Handle Tables in QL and language debugging. SIEMENS IT Solutions.

Trained and lectured on the following topics:

- Several Postgresql DBA trainings.
- ACP (Postgresql, SQL PLSQL Oracle, Linux)
- SIU: UNNE, IESE, UNC, UNPA, UNLP, UNCA, UNCAUS, UPSO, UNAS (Postgresql 1st and 2nd level)
- CycleLogic, Telecentro, VsTour, Avalon Informática.
- Remote Conferences: “DBA Area” and “Monitoring Postgres 8.4”.
- Open webcasts under Helpame.com project (Postgres and Mysql Tips)

Lectured:

- **Palermo University.** Postgresql 8.4 under Solaris (100+ attendees)
- **PgCon2009 Brasil.** (200+ attendees, postgresql.org.br) PyReplica
- **Postgresql Tuning.** PgDay 2009 Junín.
- **PgDay 2008 Río de la Plata** (Organisation).
